

Farhan Siddiqui

Consultant Endodontist

Lucknow, Uttar Pradesh · [Phone] · [Email] · [Website or LinkedIn]

PROFESSIONAL SUMMARY

Endodontist with an MDS in Conservative Dentistry and Endodontics and seven years of clinical practice. Performs rotary root canal treatment, retreatments and post-endodontic restorations, supported by apex locators and CBCT planning. Also mentors junior associates. Looking for a consultant role with a clinic chain or dental hospital building a dedicated endodontic referral service.

SKILLS

Rotary endodontics · Root canal retreatment · CBCT interpretation · Apex locator use · Fibre post and core · Single-visit RCT · Microscope-assisted procedures · Clinical mentoring

EXPERIENCE

Consultant Endodontist — multi-chair dental clinic chain with eight branches, Lucknow
4 years · current

- Handle endodontic referrals from four branches, completing around thirty root canal treatments and retreatments each month.
- Plan complex cases using CBCT scans to locate calcified or extra canals before starting treatment.
- Introduced a microscope-assisted workflow for retreatments, reducing repeat visits for broken instrument retrieval cases.
- Run monthly case discussions for six associate dentists on access design, irrigation protocols and post selection.

Senior Resident, Conservative Dentistry — government dental college hospital, Kanpur
3 years

- Treated a high-volume outpatient load, managing acute pulpitis, abscess drainage and emergency pulpectomies daily.
- Supervised undergraduate students during clinical postings, checking cavity preparations and radiographs before sign-off.
- Presented two case reports on apexification and regenerative endodontics at state-level dental conferences.
- Maintained sterilisation records and instrument tracking for the department's autoclave and ultrasonic cleaners.

EDUCATION

MDS, Conservative Dentistry and Endodontics — government dental college, Lucknow
Dissertation on irrigant activation techniques

Bachelor of Dental Surgery (BDS) — private dental college, Bareilly

CERTIFICATIONS AND REGISTRATIONS

- Registered Dental Surgeon, Uttar Pradesh State Dental Council
- Hands-on course in dental operating microscope use
- Basic Life Support (BLS)

PROJECTS

- Referral protocol — drafted a one-page referral form for general dentists that shortened waiting time for endodontic slots
