

Dr. Aditya Verma

Junior Resident, General Medicine

Lucknow, Uttar Pradesh · [Phone] · [Email] · [Website or LinkedIn]

PROFESSIONAL SUMMARY

MBBS graduate with a completed compulsory rotating internship at a government medical college hospital, followed by six months as a casualty medical officer. Comfortable with triage, IV access, ECG interpretation and first-line management of poisoning and heat illness. Holds permanent state registration and current BLS and ACLS certification, and seeks a non-academic junior residency in medicine.

SKILLS

Emergency triage · ECG interpretation · IV cannulation · Ryle's tube insertion · Case documentation · Patient counselling · Infection control · Bedside procedures

EXPERIENCE

Casualty Medical Officer — 200-bed private multi-speciality hospital, Lucknow

6 months · current

- Assess and stabilise around forty emergency patients per night shift, escalating cardiac, stroke and trauma cases to on-call consultants.
- Managed organophosphate poisoning and heatstroke cases using hospital protocols, arranging ICU transfer when criteria were met.
- Maintain complete casualty registers and medico-legal case documentation, reviewed monthly by the medical superintendent.

Compulsory Rotating Intern — Government medical college hospital, Kanpur

12-month internship

- Rotated through medicine, surgery, obstetrics, paediatrics, orthopaedics and community medicine, completing all logbook requirements.
- Assisted in over thirty normal deliveries and performed episiotomy repairs under direct supervision in the labour room.
- Joined a village immunisation camp covering about three hundred children, recording doses on the government tracking portal.

EDUCATION

MBBS — Government medical college, Kanpur

Distinction in Pharmacology

CERTIFICATIONS AND REGISTRATIONS

- Permanent registration, Uttar Pradesh Medical Council
- Basic Life Support (BLS)

- Advanced Cardiovascular Life Support (ACLS)

PROJECTS

- Anaemia screening audit — reviewed antenatal records at a rural health centre and presented findings at a departmental meeting
