

Aditya Rathore

Junior Fashion Designer – Womenswear

Jaipur, Rajasthan · [Phone] · [Email] · [Website or LinkedIn]

PROFESSIONAL SUMMARY

Fashion design graduate focused on contemporary womenswear built on hand block printing and natural dyes. Comfortable with flat sketches, tech packs, pattern corrections and printer coordination. Completed a design internship with a block-print label and a graduation collection shown at the college jury, and now aims to join a design team at a craft-led brand.

SKILLS

Flat sketching · Tech packs · Pattern making · Block print layouts · Natural dyeing · CorelDRAW · Illustrator · Fabric sourcing

EXPERIENCE

Design Intern — Hand block-print womenswear label, Jaipur

6-month internship

- Drew 30 print placements and colourways for a festive capsule, working directly with printers at the unit in Sanganer.
- Prepared tech packs with measurements and trims for 14 styles, reducing sample queries from the tailoring team.
- Checked first samples against specs and logged fit comments for the senior designer's weekly review.

EDUCATION

Bachelor of Design (Fashion Design) — Central government fashion institute, Jodhpur

Graduation collection on indigo-dyed workwear for women

Class XII (Science) — CBSE senior secondary school, Jaipur

CERTIFICATIONS AND REGISTRATIONS

- Short course in draping and advanced pattern cutting

PROJECTS

- Indigo Shift — six-look graduation collection in natural indigo, selected for the college's final showcase
- Craft cluster documentation — two-week study of dabu printers, recorded in a process book and short film
- Zero-waste shirt — pattern using the full fabric width, bringing offcuts down to almost nothing
