

Imran Sheikh

Senior Interior Designer – Commercial Workspaces

Ahmedabad, Gujarat · [Phone] · [Email] · [Website or LinkedIn]

PROFESSIONAL SUMMARY

Commercial interior designer with eleven years on offices, clinics and showrooms, from concept and space planning to execution drawings and handover. Leads design teams on turnkey fit-outs, coordinates MEP consultants and contractors, and tracks budgets and schedules closely. Brings a practical approach to durable materials, acoustics and workplace layouts that grow with the client.

SKILLS

Workplace planning · Execution drawings · MEP coordination · Budget control · Vendor management · Revit · AutoCAD · Site supervision · Client presentations

EXPERIENCE

Senior Interior Designer — Turnkey commercial fit-out firm, Ahmedabad

5 years · current

- Lead design for office fit-outs between 8K and 40K sq ft, managing a team of three designers and two draughtspersons.
- Delivered 22 projects, with 18 handed over on or before the agreed date despite changing client headcount plans.
- Coordinate MEP, acoustic and fire consultants through weekly drawing reviews that catch clashes before site work starts.
- Cut material costs on a recent headquarters project by proposing locally made furniture that met the same specification.

Interior Designer — Architecture and interiors practice, Ahmedabad

4 years

- Designed clinics, retail showrooms and bank branches, preparing concept boards, working drawings and finish schedules.
- Supervised civil and carpentry contractors on site three days a week, keeping snag lists short at handover.
- Built a reusable detail library for joinery and ceilings that shortened drawing time on later projects.

Junior Designer — Residential design studio, Vadodara

2 years

- Produced furniture layouts and 3D views for villas and apartments, and prepared vendor quotes for comparison.
- Visited tile, laminate and hardware showrooms with clients, recording choices in clear approval sheets.

- Checked carpentry shop drawings against design intent and flagged dimension errors before fabrication began.

EDUCATION

Bachelor of Interior Design — Private design institute, Ahmedabad

CERTIFICATIONS AND REGISTRATIONS

- Member, Institute of Indian Interior Designers
- Course in green building interiors and material selection
- Project management fundamentals course

PROJECTS

- Hybrid Office Refit — converted a 25K sq ft floor to shared desks and focus rooms while staff kept working
- Multi-city Clinic Standard — design kit for a chain of dental clinics, reused across six new branches
