PROFESSIONAL SUMMARY

Photography diploma holder with a season of assisting on Punjabi weddings and pre-wedding shoots across the Tricity area. Handles lighting setup, second-angle coverage and first-pass culling in Lightroom. Calm with families and large crowds, careful with backups, and keen to join a wedding studio as an assistant or second shooter.

SKILLS

Candid photography · Off-camera flash · Second shooting · Adobe Lightroom · Photo culling · Backup workflow · Client coordination

EXPERIENCE

Photography Assistant — Wedding photography studio, Chandigarh

8 months · wedding season

- Assisted at twenty-two weddings, managing lights, spare batteries and cards while covering family portraits as second shooter.
- Culled and colour-corrected first previews of about five hundred images per event, delivering sneak peeks to couples within two days.
- Maintained a dual-drive backup routine after every shoot, with zero lost files across the season.

EDUCATION

Diploma in Professional Photography — Private photography institute, Chandigarh

One-year programme covering studio lighting, portraiture and editing

B.A. (Fine Arts) — Government college affiliated to a state university, Mohali

PROJECTS

- Hands of Phulkari — photo series on embroidery artisans, shown at a college exhibition and shared by a local craft cooperative
- Monsoon Streets — personal street project shot on a prime lens, used to practise low-light candid work
