

Kabir Sethi

Junior Video Editor

Noida, Uttar Pradesh · [Phone] · [Email] · [Website or LinkedIn]

PROFESSIONAL SUMMARY

Film editing graduate with a six-month internship at a digital media studio, cutting short-form videos, interviews and promos for social platforms. Works in Premiere Pro and DaVinci Resolve, with basic After Effects and sound clean-up. Comfortable with tight daily deadlines and feedback rounds. Looking for a junior editor role at a media company or creative agency.

SKILLS

Adobe Premiere Pro · DaVinci Resolve · After Effects basics · Short-form social edits · Interview editing · Colour correction · Audio clean-up · Subtitles and captions · File management and backups

EXPERIENCE

Video Editing Intern — Digital media studio producing social videos, Noida

6-month internship

- Edited 90 short-form videos for social platforms, including vertical cuts, captions and thumbnails.
- Cut interview footage into three-minute stories, selecting soundbites and adding b-roll and lower thirds.
- Colour-corrected multi-camera shoots in DaVinci Resolve to match skin tones across scenes.
- Maintained project folders and backups so senior editors could pick up files instantly.

Freelance Editor — Wedding and event videographers, Delhi NCR

1 year · part-time

- Edited highlight films and reels for weddings, delivering within the agreed timeline.
- Synced multi-camera footage and music, adjusting cuts based on client feedback.

EDUCATION

B.Sc. in Film Making and Editing — Private media institute, Noida

Graduation film: short documentary on street food vendors

Higher Secondary (Humanities) — CBSE school, Ghaziabad

CERTIFICATIONS AND REGISTRATIONS

- Adobe Certified Professional in Video Design
- DaVinci Resolve Editing, online course

PROJECTS

- Showreel — 90-second reel of social edits, interview stories and a short documentary, linked on the resume
